MAMA GREEN

Specifications - 2025

MAMAGREEN COMPANY

Mamagreen is a vertically integrated global company, specialized in premium outdoor furniture

- Mamagreen Design Lab, headed by Belgian founder Vincent Cantaert
- Manufacturing facilities in Semarang, Indonesia
- Flagship showroom Atlanta, GE
- US operational HQ and warehouse located in Richmond, VA.
- Business Development Office Italy
- Distributing partners globally

MAMAGREEN ORDER PROCESS

We kindly ask to provide the following information to initiate the order process:

Contact / Destination / Residential or Contract Use / Items & Finishes / Quantities

Discounts, freight charges, estimated delivery time, terms and conditions, warranty will be provided together with our quotation and / or are available on request.

Each request will be replied as soon as possible, generally within 24 – 48 hours

COLLECTIONS (MTO - MADE TO ORDER)

Choose from hundreds of standard items and mix and match our neutral and vivid textiles with different fibers, ropes and hard surfaces, to personalize your own unique combination.

100+ Finishes and Textiles in Stock - Endless Possibilities – Made To Order

Residential MTO delivery time is usually 12 - 14 weeks within the USA.

For contract orders, the lead time depends on the scale of the project.

FAST (USA Residential only)

Select from our quick ship program inventory, available through a network of selected dealers and repeat buyers. FAST program items ship within 10 working days from our warehouse in Richmond, VA (subject to availability). Our FAST program is available on request.

FAST delivery time is usually less than 2 weeks within the USA.

COM (CUSTOMER OWN MATERIAL)

We offer the possibility to do all of our cushions in textiles specified by the customer, find pricing marked “COM”. Customer own material is subject to approval and terms and conditions apply.

COM lead-time is about 12-14 weeks – starting the moment the textiles at the production facilities are received in good condition.

CSF (CUSTOM SIZED FURNITURE)

Our tables, sofas and shade structures can be made in custom dimensions to fit the space perfectly. Material and technical limitations apply. Contact our customer support team to confirm feasibility and get a quote.

CSF lead-time is about 16-24 weeks, depending on complexity.

BESPOKE

Contact us for bespoke options, based on existing items. We will check feasibility and quote if possible. Minimum order quantities, material limitations, technical difficulties, test requirements, ergonomic variations may impact feasibility, price and lead time.

DISCONTINUED MATERIALS AND PRODUCTS

As a service to existing customers we keep a very limited inventory of discontinued materials.
Most products discontinued since 2020 are still available on request.

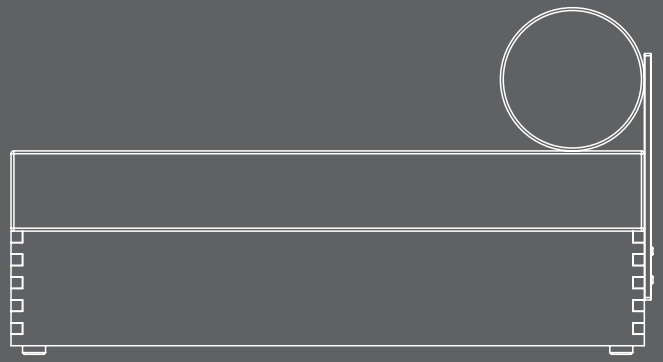
COLLECTIONS 2025



aiko

Design by Vincent Cantaert

The upcycled teak matrix base highlights both naturally occuring, and handcrafted distress marks. The Drift-Look incorporates Original or Espresso finishing, and is assembled using traditional box-joints, crafted specifically for robust performance.

Stunning Italian High Pressure Laminate (HPL) forms the back of the base, offered in either Alpes White or Slate. Upholstery is made from the high density, easy maintenance Sailcloth fabric range, manufactured by best-in-class outdoor textile specialists, Sunbrella: choose color and pattern from Shadow, Sailor or Seagull Grey. The signature collection feature is a gorgeously thick bolster, providing optimal ergonomic support, and facilitating ultimate comfort in informal lounging.

Albatross

MAMAGREEN Design Lab

Superiorly-modern, the marine-grade furniture is ideal for cruise ships and up-scaled luxurious residentiasl or commercial spaces. Featuring the 316 polished stainless steel, credited as the best marine-grade steel in combination with the excellent textiles made from high-selected quality materials, the “Albatross” is designed to endure the harsh conditions of coastal environments with minimal maintenance needed.

ALLUX

Design by Vincent Cantaert & Barbara Widiningtias

Intelligent design meets exceptional strength-to-weight ratio and universal versatility in our customized tables. Available in a wide range of options, these tables offer both aesthetic appeal and functional flexibility. Our single and adjustable double ALLUX loungers are perfect for poolside relaxation at premier resorts worldwide. Additionally, our dining and bar chairs blend classic styling with modern functionality, making them ideal for both residential and commercial spaces. Each piece is meticulously designed and refined by Vincent Cantaert and Barbara Widiningtias.

BAIA

Design by Vincent Cantaert & Barbara Widiningtias

The BAIA collection is renowned for its superior, high-performance outdoor dining extension tables, effortlessly expanding to accommodate large groups in an instant. Crafted from premium recycled teak or luxurious Italian high-pressure laminate for the tabletops, and paired with stainless steel or powder-coated aluminum frames, these tables offer both elegance and durability.

Expertly designed by Vincent Cantaert and Barbara Widiningtias, the BAIA collection combines functionality with sophisticated design.

begonia

MAMAGREEN Design Lab

The BEGONIA collection reimagines the classic picnic settings with a touch of elegance. Its round design fosters a sense of intimacy, making it perfect for gatherings with the loved ones. The honey-colored hues enhance the blossoming effects of the Begonia, radiating warmth throughout your space.

The benches are available with either a faux-leather backrest or in a backless design, and the table features an integrated rotating tray to enrich the sharing experience.

The BEGONIA collection comes in two table sizes-diameter 50” (127 cm) and 62” (158 cm), accommodating up to 10 people.

Boulevard

MAMAGREEN Design Lab

Long, low horizontal blocks of mixed materials layer together to create distinct architectural lounge groupings with a very contemporary look: Introducing “Boulevard”. Designed for luxury residential use and high-end hospitality, this collection is strikingly handsome, low maintenance, versatile, and comfortable.

Available in 5 colors (iron black / cotton) the durable powder-coated aluminum base supports ergonomically shaped cushions in an attractive range of durable Sunbrella textiles. The same durable powder-coated aluminum pairs with low maintenance Italian High Pressure Laminate (HPL) to make up the Boulevard low tables.

MAMAGREEN Design Lab

Just like how being in a field of daisies brings back good memories, MAMAGREEN's DAISY collection is designed to create a summertime mood and enhance positive vibes.

Designed for both residential and hospitality use, DAISY is perfect for small spaces and balconies. This versatile range will fit perfectly at home in an urban oasis, a multi-family rooftop, senior living projects, or at a restaurant or bistro, with options for dining, bar and lounge.

With unlimited options, thanks to our wide range of colors, and the unique mix of materials, design lovers will find the perfect spot for their own DAISY, inside or out.

Different tones of handwoven outdoor wickers shape the Daisy Mae barrel back chair.

Designed with a focus on ergonomics, style and low maintenance.

EKKA

Design by Vincent Cantaert & Barbara Widiningtias

Modern and refined, the EKKA collection is distinguished by its natural teak wood elements. The popular EKKA lounger now features bigger sized wheels and is also available in a sleek all-teak-frame version.

The extensive sectional lounge options are complemented by MAMAGREEN's signature 100% outdoor cushions and distinctive quilted upholstery, all supported by smooth teak. The EKKA range also includes a beautifully designed dining chair.

estate

MAMAGREEN Design Lab

The elegantly formed seat and backrest make the Estate chairs comfortable, with optional padded seat cushions available. The sled base and the armrest follow the rounded lines of this attractive design.

Estate pedestal tables are a fit in hospitality projects and great for small spaces. The self-adjusting gliders ensure stability. The highlight is a square dining table, seating 8, for a unique, intimate, residential setting.

For a more conventional family size we offer also a rectangular dining table. Bar, counter and low tables come in various dimensions. Estate tables come with an HPL inlay option for added color variations. Premium quality teak is only harvested from sustainable farms.

HACIENDA

MAMAGREEN Design Lab

The combination of smooth sanded premium teak with a gorgeous organic look and luxurious casual comfort results in the Hacienda collection.

Thanks to the versatility of Hacienda deep seating sectional elements, a near endless number of configurations are possible.

The backrests and armrests are inserted in the frame, while underneath the Sunbrella covered cushions, deck gives a mesh & webbing seat a superb seating experience.

Design details include an optional faux leather piping accent, the transitional shaped armrests and the practical integrated end-platforms.

Nesting coffee and side tables with a teak or HPL inlay top complete this unique collection.

Hacienda sunbeds come in two versions, either curved slatted teak, or ultra comfortable sling.

Both are available with a reclining backrest and various cushion options.

LABUAN

MAMAGREEN Design Lab

Starting with the idea for weighted wooden furniture, with some elegant lines designed for a private yacht, the LABUAN collection creates a bohemian resort ambiance.

The practical one seat, angled as an Adirondack chair can be used to decorate a porch or around a fire pit. The armless benches, can be aligned, usable for hospitality, or in a residential setting.

The two-color way cushions are available in a selection of patterns, and are supported by a sturdy, heavy, solid teak wood frame, with slatted bottom and back.

The LABUAN two seater is available with a shade, protecting from the sun, yet allowing the breeze to pass through.

Matching dining and lounge chairs, using a handwoven rope frame, complete the collection.

LORENZO

MAMAGREEN Design Lab

MAMAGREEN's take on an eclectic mix of shapes, textures and materials.

LORENZO is a series of low tables and pouffes that add a playful, colorful accent with a touch of history, to our deep seating collections.

LORENZO nesting coffee and side tables come with various leg shapes -made of root teak- showing off natural imperfections and character and a round top made of sintered stone.

To add some punch, color and texture, we developed the LORENZO pouffe, made with a removable luxury outdoor textile cover, it easily stands out by its sixties' fringe.

meika

Design by Vincent Cantaert & Barbara Widiningtias

Meet the Meika, the elegant furniture collection featuring a sophisticated round table paired with minimalist dining chairs. The table's sleek, circular design creates a welcoming centerpiece, while the dining chairs, with their clean lines and charming appearance, perfectly complement the table's modern aesthetic.

Together, they form a cohesive ensemble that balances simplicity with elegance, making it an ideal choice for any contemporary dining space.

munia

MAMAGREEN Design Lab

Inspired and named after the Munia bird, masters in weaving uniquely shaped nests, MUNIA is a creative luxurious deep seating system allowing unique configurations.

Designed to create a plush informal lounge feeling with flair and distinction, MUNIA has comfortably thick cushions with supreme casual ergonomics.

Two different weaving styles are available for the backsupport:

MUNIA NAYA woven in thick braided textile

MUNIA MO woven in multicolored fiber

The backrest comes also in two different heights: regular or high, offering some additonal privacy and shade.

The range consists of oversized round seaters (Hug) and daybeds (Island and Dome), as well as a sectional system in various shapes, with matching tables in different heights.

MUNIA, made of performance materials and a sturdy frame with a sled base, is designed for both luxury hospitality and residential use.

Our large selection of colors and materials, creates multiple possibilities to tailor the style of the Munia furniture pieces, and adapt to any outdoor space.

DHANA

MAMAGREEN Design Lab

With a range of neutral and vivid color combinations,
Ohana can find itself at home in most exterior and interior settings.

Ohana's frame is woven by hand with an Olefin rope wrapping around a sturdy powder coated aluminum frame. The semi-soft seat cushion, supported by a mesh seat deck, and a fluffy back pillow ensure a comfortable seating experience.

The Ohana dining chairs can complete any MAMAGREEN dining table while the Ohana lounge chairs are a perfect fit for balconies, living rooms and perfectly balance any of our sectional sofas.

The exceptional Ohana balloon chair is a stunning statement piece,
available in both dining and lounge height.

This series of sled base dining and lounge chairs can be used both in residential and commercial environments.

A weighted version is available for high wind areas and rooftops.

PILLOWS

Design by Vincent Cantaert & Barbara Widiningtias

Mamagreen Throw Pillows guarantee the excellent back or lumbar support.
Made of Sunbrella or Olefin fabric, covers are easily removable for handwashing.

Pillow inserts are made of 100% Hilon Dacron and a water repellent taffeta polyester liner.

Handmade Textured Pillows are available in four different designs and multiple color options. These decorative throw pillows can remain outside during light rain and are easily stored overnight when not in use.

Carefully designed, the MAMAGREEN pillows are easy and fun to mix-match with any collection and offer countless design possibilities to satisfy all your personalized ideas.

Pillows' inserts are made of 100% Hilon Dacron and a water repellent taffeta polyester liner.

PRADO

MAMAGREEN Design Lab

We have succesfully completed our dining series with the fine contemporary edgy-looking PRADO.The dining table consists of an HPL top, available in various stone motifs, on a solid galvanized metal base shaped attributing a minimalist angle. Presentable in three different dimensions, the largest table offers ample place for 10 chairs.To complete the Prado set, we redesigned the classic director's chair. The padded seat and back, made of Elios mesh by Serge Ferrari, generating all comfortable sittings. The armrests fit under the clearance of the dining table and optionally a handsome teak inlay. The practical use is the folding mechanism, allowing the chair to be easily stored, ideal for transport, storage on a yacht or in a restaurant. With numerous color selections of powder-coating and textile options, the Prado chairs are configurable to match any style. Both chair and table are designed to mix & match with other items of our collection.

ZUPY

Designed by Vincent Cantaert & Barbara Widiningtias

The ZUPY, the essence of wild nature captured in our meticulously engineered furniture collection. Each piece harmoniously combines the raw comfort of natural elements with a precisely structured design, reflecting exceptional craftsmanship. This dedication to engineering ensures that the beauty and warmth of nature are seamlessly integrated into functional, durable furniture, offering a unique blend of rugged charm and sophisticated elegance for any space.

Olefin - 14 gr/m
Application : Backrest

W23 - NAVY
Olefin - 14 gr/m
Application : Backrest

BRAIDING

B02 - DOVE GREY
Olefin / Quick Dry Foam
Weight : 370 gr/m2

B01 - DARK ASH
Olefin / Quick Dry Foam
Weight : 370 gr/m2

B03 - CACTUS
Olefin / Quick Dry Foam
Weight : 370 gr/m2

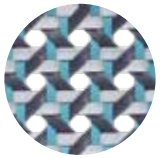
FIBER WEAVING | FLAT PATTERNS

W35 - ALABASTER
HDPE - 0.95 gr/cm3
Application : Shell

W38 - ARABESCATO
HDPE - 0.95 gr/cm3
Application : Shell

W27 - BREEZE
HDPE - 0.95 gr/cm3
Application : Shell

W25 - MACCHIATO
HDPE - 0.95 gr/cm3
Application : Shell

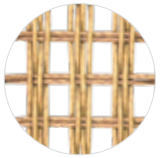


W40 - URBAN BLUE
HDPE - 0.95 gr/cm3
Application : Shell

W26 - JAVA
HDPE - 0.95 gr/cm3
Application : Shell

FIBER WEAVING | ROUND

W13 - SNOW WHITE
HDPE - 0.95 gr/cm3
Application : Backrest / Seatrest



W10 - HONEY
HDPE - 0.95 gr/cm3
Application : Backrest / Seatrest

W14 - PEPPER
HDPE - 0.95 gr/cm3
Application : Backrest / Seatrest

W09 - AMAZON
HDPE - 0.95 gr/cm3
Application : Backrest / Seatrest

WEBBING | KEOPS®

W21 - HERON WHITE
Polyester - PVC - Hemp

W11 - DUNE
Polyester - PVC - Hemp

W12 - COCOA
Polyester - PVC - Hemp

FAUX-LEATHER | Grade G

Designed for Upholstered Frames

U41 - STAMSKIN AVORIO
Multi-layer composite / Polyamide-jersey
Waterproof | 780 gr/m2
